2.5 Ordinary resolution 2.5: General authority to directors to allot and issue ordinary shares

That, as an ordinary resolution, and subject to the provisions of the Act and the JSE Listings Requirements, from time to time, that the directors of the company be and are hereby authorised, as a general authority and approval, to allot and issue, for such purposes and on such terms as they may in their discretion determine, ordinary shares in the authorised but unissued share capital of the company up to a maximum of ten percent of the number of ordinary shares in issue on the date of passing this resolution.

Explanatory Note

The reason for proposing ordinary resolution number 2.5 above is to seek a general authority and approval for the directors to allot and issue ordinary shares in the authorised but unissued share capital of the company, up to ten percent of the number of ordinary shares of the company in issue at the date of passing this resolution, in order to enable the company to take advantage of business opportunities which might arise in the future.

In order for ordinary resolution number 2.5 above to be approved, it must be supported by more than fifty percent of the voting rights exercised.

2.6 Ordinary resolution 2.6 of 75 percent: General authority to issue shares for cash

That, as an ordinary resolution, and subject to ordinary resolution number 2.5 above being passed, the directors of the company be and are hereby authorised, in accordance with the Act and the JSE Listings Requirements, to allot and issue for cash, on such terms and conditions as they may deem fit, all or any of the ordinary shares in the authorised but unissued share capital of the company, which they shall have been authorised to allot and issue in terms of ordinary resolution number 2.5 above, subject to the following conditions:

- This authority is valid until the company's next annual general meeting, provided that it will not extend beyond fifteen months from the date that this authority is given;
- The ordinary shares, which are the subject of the issue for cash, must be of a class already in issue, or where this is not the case, must be limited to such securities or rights that are convertible into or represent options in respect of a class already in issue;
- Any such issue will be made only to 'public shareholders' as defined in the JSE Listings Requirements and not to related parties, unless the JSE otherwise agrees;
- The number of shares issued for cash will not in aggregate exceed ten percent of the company's listed ordinary shares (excluding treasury shares) as at the date of the notice of AGM, such number being 751 934 919 ordinary shares in the company's issued share capital;
- Any ordinary shares issued under this authority during the period of its validity must be deducted from the above number of ordinary shares and the authority shall be adjusted accordingly to represent the same allocation ratio on the event of a sub-division or consolidation of equity securities during the same period;
- The maximum discount permitted at which ordinary shares may be issued is ten percent of the weighted average traded price on the JSE of those shares over the thirty business days prior to the date that the price of the issue is agreed between the company and the party subscribing for the securities; and
- An announcement giving full details, including the number of shares issued, the average discount to the weighted average traded price of the shares over the thirty business days prior to the date the company agrees to issue the shares and the impact on net asset value, net tangible asset value, earnings and (if applicable) diluted earnings and headline earnings per share, will be published at the time of any issue representing, on a cumulative basis within one financial year, five percent or more of the number of shares in issue prior to such issue.

Explanatory Note

The reason for proposing ordinary resolution number 2.6 is that the directors consider it advantageous to have the authority to issue ordinary shares for cash in order to enable the company to take advantage of any business opportunity which might arise in the future. At present, the directors have no specific intention to use this authority, and the authority will thus only be used if circumstances are appropriate.

In order for ordinary resolution 2.6 to be approved, it must be supported by more than seventy-five percent of the voting rights exercised.
